Summer Reading 2025

Dear Future **Sixth Grade** Students and Parents:

Summertime is a great opportunity for students to enjoy the richness of literature and to maintain the reading skills they have learned throughout the school year. Reading helps students increase their academics, vocabulary and improves overall academics.

As a part of their reading summer project, students are required to read the following book:

TITLE	AUTHOR	ISBN
Wonder	R. J. Palacio	9780375869020

After reading the book, students are required to create a **mini book**. This book should retell the story that includes significant events and pictures in 5 to 10 pages. The assignment must be turned in to the teacher by **Friday, August 29, 2025**. After the assignments are turned in, parts of the novel will be discussed in class.

I look forward to seeing you in August.

Happy Summer Reading! 

Blessings,

Sixth Grade Language Arts Teacher
