

## Summer Reading 2023

Dear Future **Second Grade** Parents:

Summertime is a great opportunity for students to enjoy the richness of literature and to maintain the reading skills they have learned throughout the school year. Reading helps students increase their reading skills, vocabulary, and improve their overall academics. **Reading with an adult is encouraged.**

As part of their reading summer project, students are required to read the book:

Title	Author	ISBN
<b>Little Lucy Goes To School</b>	Irene Cooper	9780385369947

After reading the book, students must complete the ***Final Draft Templates and Evaluation Rubric for My Sandwich Book Report Project***. The *First Draft* documents are for practice purposes only. The project (***Final Draft Templates and Evaluation Rubric***) must be given to the teacher by **Friday, August 25, 2023**.

We look forward to seeing you in August.

Remember to always have fun while you learn. ☐

Enjoy your summer and God Bless!
