Notes:

1. The Elementary School SSL book will depend on the student's Spanish level. An assessment will be administered at the beginning of the school year to determine their language proficiency.
2. Students in third and fourth grade will take Social Studies in English with a designated teacher since the regular Social Studies class is given in Spanish.

3. For High School SSL, beginning Summer 2026, students enrolled in Spanish as a Second Language (SSL) will read the same summer book as their grade level. Support will be provided through differentiated pacing, assessments, and accommodations to foster students' language development and ensure meaningful learning.
